

Earn Your Bachelor's Degree in Psychology from Penn State World Campus

PROGRAM DESCRIPTION

Coastline Community College (CCC) and Penn State World Campus have entered into a collaborative partnership to offer qualified students an opportunity to **earn both an associate degree in psychology and a bachelor's degree in psychology—completely online.**

THE ASSOCIATE AND THE BACHELOR'S DEGREES

The CCC **associate degree in psychology** can provide you with a greater understanding of the human mind and behavior, and prepares you for jobs that require good communication skills.

Penn State World Campus provides two degree programs, depending on your career interests and goals:

BACHELOR OF ARTS IN PSYCHOLOGY

The Bachelor of Arts in Psychology can provide a broad education in the arts, humanities, and social sciences. It can give you the foundation you need to work in a social-service field. It may also be a good fit if you want to attend graduate school in psychology or a related field.

BACHELOR OF SCIENCE IN PSYCHOLOGY

The Bachelor of Science in Psychology combines a foundational education in psychology with the opportunity to choose courses related to particular career paths, including health services, marketing, and human resources. It may also be a good fit if you want to attend graduate school in psychology or a related field.

PROGRAM BENEFITS

- Your program application will have **no application fee.**
- You will **not be charged out-of-state tuition rates by Penn State World Campus.**
- Upon enrollment in at least one Penn State World Campus course, you can **"lock-in" a tuition rate** for up to four years from the date of enrollment.
- You will gain full access to the online resources and libraries of **both institutions.**
- You will be **assigned an adviser** from each institution in order to help you meet the requirements of both degrees.
- Upon admission, you will receive a **personalized, jointly prepared program roadmap** detailing all of your required course work.
- As a participant, you will receive **annual updates** relaying your academic progress.
- You can **earn both degrees within four years**, depending on the number of courses you can take each semester.

Please note that admission to Penn State is contingent upon meeting Penn State admission requirements and successful completion of the CCC course work.
